Business Brief: Hospice of Muskegon-Oceana hires Director of Clinical Services

Muskegon, MI – Montelle M. Evans, RN, BSN, CCM has been named the Director of Clinical Operations for Hospice of Muskegon-Oceana. She oversees patient care in the home care program, in skilled nursing facilities, and at the Poppen Hospice Residence. Moni Evans comes to this newly-created position from Muskegon Family Care where she was the Clinical Resource Manager. In addition to management experience, she also brings expertise in quality improvement, utilization management, public health, hospital-based nursing, and nursing instruction.
